Presenter: Raymond Logan Ph.D. Psychology. Dr. Logan is a native of Pittsburgh, Pennsylvania. He attained a B.A. degree in psychology from Hampton University, and a M.A. and Ph.D. in Educational Psychology from the University of Pittsburgh. He has provided trauma-informed interventions to schools, and psychotherapeutic services within the context of the Sanctuary Model to children, adolescents, and adults who have experienced trauma.

Program Funded by the Education Program of The Heinz Endowments.

Registration: For more information or to register for the workshops please contact Davonna Graham at davonnagprof@gmail.com or Bonnie Young Laing at laing@hdcg.org

¹CEUs for social workers counselors and other helping professionals may be available (2.5 hours per workshop). A one-time \$20 fee will apply the series.
